## Sustrans Big Walk and Wheel

Sustrans Big Walk and Wheel takes place **NEXT WEEK**. We will be participating in this and would encourage children to walk, cycle or come to school on their scooter each day.

On each day of the challenge, schools compete to see who can get the highest percentage of their pupils walking, scooting or cycling to school. Daily prizes are available

Please ensure that helmets are worn and pupils are accompanied by an adult.

## School improvements

Work continues in school on the Primary One classroom. A new floor has been laid and hopefully the pupils will be able to return to their own classroom next week. The Primary Three pupils will be moving out of their classroom on Monday to allow work to begin.

Disruption to pupils has been kept to minimum as they have moved into other rooms in the school and lessons have continued as normal.

## Environmental Youth Speak

Well done to our P.6 pupils, Aanya and Erin who participated in the Lisburn and Castlereagh Schools Environmental Youth Speak competition. This is the first time our school has taken part and we were very proud of the girls. Their presentation was fantastic!

## Sentinus Lego Robotics Competition

Well done to our P.7 team who participated in the Lego Robotics competition in Belfast yesterday. We were the only Primary school in Lisburn to Participate and the team did an amazing job. They competed against schools all over Northern Ireland and had a great day.

What a great experience for all those who took part.

## World Book Day

Well done to everyone who dressed up yesterday and took part in the activities for World Book Day.

Thanks to P.6 and P.7 pupils who read a story to P.1 and P.2.

## Dogs

**Please remember dogs are NOT permitted on the school grounds!**
